**27<sup>th</sup> SEPTEMBER 2020** - TDM Berhad recently organised a 2-day Management Retreat at Hyatt Regency Kuantan. During this crucial session, we reviewed our past year's performance and worked together to develop the organisation's strategy for the upcoming years. Led by our Group Chief Executive Officer (GCEO), En Zainal Abidin Shariff, the session was attended by TDMB Board of Directors (BOD), subsidiary companies' BODs, TDM Plantation's CEO, Kumpulan Medic Iman's (KMI) CEO, Heads of subsidiary companies from both Plantation and Healthcare businesses, and Senior Management of TDMB, Plantation and Healthcare businesses.

A shared responsibility of helping the company to its best potential, everyone came together to have insightful discussion on the changes in the strategic landscape and reaffirming of the core strategies of each business, charting a path forward for the years to come. On the economic front, the COVID-19 crisis presence as one the greatest challenges of the decade leads to economic uncertainty, affecting many businesses including ours. TDMB group is set to respond to the uncertainty with our Business Continuity Plan, Business Recovery Plan, as well as taking advantage of new opportunities, soon to be in our pipeline.
