KTSH EXPANDS ITS HEALTHCARE SERVICES, INTRODUCES KTSH HOMECARE

A PRIVATE HOSPITAL OWNED BY THE STATE OF TERENGGANU

KUALA TERENGGANU – Kuala Terengganu Specialist Hospital (KTSH) a subsidiary of Kumpulan Medic Iman Sdn. Bhd. (KMI Healthcare), healthcare division of TDM Berhad launched a new service called "KTSH Homecare" in an event officiated by State Local Government, Housing, Health and Environment Committee Chairman, YB Dr. Haji Alias bin Razak took place at the foyer of KTSH today.

Also present at the ceremony were State Local Government, Housing, Health and Environment Committee Deputy Chairman, YB Haji Ahmad Shah Mohamed, Executive Director of TDM Berhad, Haji Najman Kamaruddin, Chief Executive Officer of Kumpulan Medic Iman Sdn. Bhd., Dr Rayney Azmi Ali and the Chairman of KTSH Board of Directors, Haji Mazli Zakuan Mohd Noor.

KTSH now offers a home service healthcare, "KTSH Homecare" to enable patients to receive the best of care, not only in the hospital but also in the comfort of their homes.

"One of the challenges faced in the healthcare sectors during the implementation of the Movement Control Order (MCO) is the postponement of treatment by the patients. Patients chose to postpone their treatment because they worried that leaving the house may aggravate their current condition," said YB Dr Hj Alias in his launching speech.

The main benefit of KTSH Homecare that it offers the full range of treatments that is available in the hospital including professional consultation, physiotherapy, pharmacy, dietetic and nutrition and ambulance services.

"With 'innovation' as one of the core principles at KTSH, a new service has been introduced as an add-on value to the specialist hospital. Last year, KTSH started a nursing pilot project called WOW Care (Wellness on Wheels) to test the needs and effectiveness of the services that would be offered. This project unintentionally coincided with the current global COVID-19 pandemic and MCO situation in the country," explained Salina Long, General Manager of KTSH.

She added, "Most of KTSH Homecare customers are the people of Terengganu who are abroad or unable to do cross-state travel especially during the MCO. Therefore, they need the service to monitor the health condition of their parents at home while they are away. With KTSH Homecare, they are assured that their parents are under the care of professionals. "

KTSH Homecare is led by licensed and experienced nurses with support from the specialist doctors. As such, the people of Terengganu can attain these high-quality services with assurance. The wide range of care services offered also makes it easy for customers to choose in accordance with their preference by contacting the hospital and setting up an appointment.

Among those who present at the event were the management of the TDM Group, government agencies representatives and other healthcare panels.
