## TDM GROUP PLEDGES ITS SUPPORT AS SPONSOR TO TSG FOR 2022 SEASON

---

**Kuala Terengganu, 13 January 2022** – TDM Berhad (“TDM” or “the Group”) is pleased to announce its participation as one of the sponsors for Terengganu Polygon Cycling Team (TSG) for the 2022 season together with its healthcare arm, Kumpulan Medic Iman Sdn. Bhd. (KMI Healthcare). The Group sets to support the local continental team in keeping its winning momentum and climbing up the world rankings, and tap on promotional doors in the sport tourism sector for KMI Healthcare given its recent rebranding move and business expansion.

Present on behalf of the TDM Group at the TSG launching ceremony held recently to introduce new line-up of riders and sponsors was its Executive Director, Haji Najman Kamaruddin. The event was officiated by Terengganu Youth, Sports and Non-Governmental Organisations (NGO) Development Committee Chairman YB Haji Wan Sukairi Wan Abdullah. Also attending were the management teams of TDM, KMI Healthcare and KMI Kuala Terengganu Medical Centre (KMIKT).

Haji Najman at the ceremony expressed his confidence over the riders’ line-up and TSG’s ability to rise in triumph at its first race – the upcoming Tour of Sharjah, which sets to take place from 28 January to 01 February – and other tournaments throughout the season.

“We are extremely pleased and excited to be part of TSG’s outstanding footprint and track record in conquering many cycling tournaments across the globe. This partnership is another milestone for us in gaining a foothold in the medical tourism sector, where it is a perfect promotional avenue for our healthcare counterpart, KMI Healthcare and its network of hospitals.”

KMI Healthcare owns and operates five community-centred specialist hospitals, namely KMI Kuala Terengganu Medical Centre, KMI Kuantan Medical Centre, KMI Kelana Jaya Medical Centre, Taman Desa KMI Medical Centre and KMI Tawau Medical Centre. These purpose-built hospitals offer single bedded rooms that ensure privacy as well as comfort and strive to fulfil the needs of patients in providing quality healthcare services.

We also wish to establish future collaborations with TSG and its riders in advocating for healthy lifestyles through proper healthcare support. Our hospitals offer a wide array of high quality and affordable healthcare services, complete with the latest healthcare facilities and backed by highly skilled medical specialists.

“For instance, KMIKT comes with a well-equipped Physiotherapy and Rehabilitation Centre, which can greatly benefit riders, professional athletes, and sports enthusiasts in restoring and maintaining their mobility, function, and well-being. We hope to highlight this offering as well as other healthcare services to the mass public,” added Haji Najman.
