KMI Healthcare launch its 5th private hospital in Tawau

Expanding of new 5-storey building with an additional of 52 beds and RM10million facilities upgrade

7 July 2023, Tawau – Kumpulan Medic Iman Sdn Bhd (“KMI Healthcare” or “KMI”) the healthcare arm of TDM Berhad launched KMI Tawau Medical Centre (“KMI Tawau”), its newly acquired private hospital in Tawau, Sabah. The launch was officiated by YB Dr. Aliakbar Gulasan, Member of the Sabah State Legislative Assembly (ADUN) who is also the Chairman of KMI Tawau, accompanied by Haji Najman Kamaruddin, Executive Director of TDM, Dr. Rayney Azmi Ali, Chief Executive Officer, KMI Healthcare and Encik Zainulalim Samsudin, General Manager of KMI Tawau.

The acquisition of Tawau Specialist Hospital was completed in May 2022, and has been rebranded to KMI Tawau Medical Centre. Following the acquisition, the development of another 5-storey building will increase the bed capacity to 59 beds, which will be ready in Q4 2024. Before the acquisition, KMI had been managing the operation of the hospital since January 2018.

In his officiating speech, YB Dr. Aliakbar said, “With a chain of five hospitals under the KMI Healthcare brand, it certainly adds value in providing systematic services and replicates the success achieved by our other hospitals under KMI, which helps be a catalyst in shaping the best management for KMI Tawau hospitals.”

He added, “International Patient Service will be the next agenda item for KMI Tawau once the new building is completed. Creative and innovative ideas and the courage to try something new have given customers the option to enjoy the best health services they want. This reform is also important to ensure the country's competitiveness, especially in our efforts to promote the health tourism industry.”

Among the medical disciplines and facilities offered are General Medicine, General Surgery, Obstetrics & Gynaecology, Orthopaedic, Paediatric, Anaesthesia, Otorhinolaryngology, Radiology, 24-hours Emergency Services, Laboratory, Pharmacy, Diagnostic Imaging: CT scan, Digital Mammogram, Ultrasound Examination and General X-ray.

"Efforts are currently underway to upgrade the facilities at KMI Tawau to improve the satisfaction of the total patient experience, including the migration of the hospital information system (HIS) and the purchase of several pieces of medical equipment, which also consists of MRI and CT scans as well as C-arms and an Autoclave for surgery, at a cost of RM10 million", said Zainulalim Samsudin, General Manager of KMI Tawau, at today's event.
