The programme gives monetary assistance to help ease the community's financial burden.

WITH the aim of alleviating financial hardships, TDM Bhd is extending monetary assistance to 400 specifically chosen asnaf (those eligible to receive zakat or tithe) families from the Marang district in Terengganu.

TDM in collaboration with Persatuan Belia Sahabat Sejahtera Daerah Marang organised the inaugural "TDM Bersama Masyarakat" programme to engage with the local community and promote a greater understanding and appreciation of Islam.

TDM executive director Najman Kamaruddin said the programme aligned with the company's commitment to syariah compliance and is consistent with its mission of being a model corporate citizen, emphasising responsibility and delivering added value to stakeholders, including the community.

"The event includes sessions for sharing and fostering an appreciation of Islamic values, aiming to contribute to the development of a well-rounded society that strikes a harmonious balance between worldly matters and spiritual aspects.

"We are also offering monetary assistance to help ease their financial burden," Najman said at the event held at Masjid Padang Mengkuang in Marang.

The donation to the recipients was handed over by Terengganu Menteri Besar Datuk Seri Dr Ahmad Samsuri Mokhtar.
