## **TDM BERSAMA MASYARAKAT KOTA PUTERA LIGHTEN THE BURDEN OF 100 UNDERPRIVILEGED FAMILIES**

---

**Kuala Terengganu, 14 December 2023** – TDM Berhad ("TDM" or "Group"), in partnership with Pertubuhan Kebajikan Komuniti Kota Putera (KOPU Care), has successfully provided assistance to 100 families in Kota Putera through the TDM Bersama Masyarakat Kota Putera, Besut, a program held at Dewan Merdeka, Kota Putera Square. The ceremony was officiated by YB Hj. Mohd Nurkhuzaini Ab Rahman, Chairman of the Terengganu Digital Economy, New Income, Trade, Industry, and Green Technology Committee and Member of the Terengganu State Legislative Assembly (ADUN) of Kota Putera, Terengganu. Also present were Haji Najman Kamaruddin, Executive Director of TDM, and En. Ahmad Imran Muhamad, MAIDAM Officer District (North Zone).

TDM selected Kota Putera as the first venue for its corporate social responsibility (CSR) program at the Terengganu State Assembly (DUN) level. The initiative, known as TDM Bersama Masyarakat, is dedicated to fostering community engagement and promoting education. Its primary goal is to connect with the community while offering TDM, as Government-Linked Company, the opportunity to contribute to community welfare and provide support to alleviate daily challenges. The program's execution aligns with the status of being a Shariah Compliant company, embodying the 'corporate citizenship' model. This model emphasizes TDM's commitment to responsible practices and continually delivering added value to stakeholders, including the community.

Haji Najman Kamaruddin, Executive Director of TDM, stated, "This program is a part of our altruistic initiatives through CSR activities, intending to connect with and support the community. While the monetary value may be modest, it carries great significance for those facing challenges in the ever-rising cost of living. Our aim is to assist as many people as possible, guided by the principle that 'A little makes a difference,' ensuring everyone can benefit from the provided support."

It is a well-established fact that the monsoon season has initiated its impact on the East Coast, affecting particular asnaf groups with flooding. This assistance aims to provide relief and contribute to the survival of the recipients to a certain degree. KOPU Care assisted in identifying eligible recipients, and 100 deserving asnaf families were selected to receive aid amounting to RM200 each.

"We applaud TDM's commitment through the TDM Bersama Masyarakat program, as our mission is dedicated to the well-being of the people in Besut. The range of efforts and initiatives we have undertaken over the years reflects our trust and responsibility to the community. I trust that TDM's proactive approach can set a precedent for other entities, including ourselves, emphasizing the shared responsibility of community devotion and caring for those in need," conveyed YB Hj. Mohd Nurkhuzaini Ab Rahman, Member of the Kota Putera State Assembly.

TDM's initiatives through the TDM Bersama Masyarakat program demonstrate that the company is driven not solely by the pursuit of business excellence but also by a commitment to fostering a positive influence on the local community. We envision this community welfare initiative as a stepping stone for future endeavors dedicated to social well-being. May our actions serve as inspiration and contribute to the overall welfare of the community.
