KMI Taman Desa Medical Centre Pays Business Zakat to MAIDAM

Kuala Terengganu, 12 August 2024 - Kumpulan Medic Iman Sdn. Bhd. (“KMI Healthcare”), through its subsidiary KMI Taman Desa Medical Centre (“KMI Taman Desa”), organized its zakat giving ceremony to Majlis Agama Islam dan Adat Melayu Terengganu (MAIDAM). The symbolic cheque presentation was witnessed by Dr. Rayney Azmi bin Ali, Chief Executive Officer of KMI Healthcare; and Puan Norliza Razali, General Manager of KMI Taman Desa. YB Dr. Azman bin Ibrahim, Chairman of KMI Taman Desa, represented the organization by handing over the cheque to Prof. Madya Dr. Ahmad Azrin Bin Ahmad, Chief Executive Officer of MAIDAM.

KMI Taman Desa presented a total of RM 54,214.80 in zakat contribution to MAIDAM for the fiscal year 2023. These funds are earmarked to support various charitable initiatives and programs under the purview of MAIDAM particularly in uplifting underserved communities and enhancing the well-being of the local community. This program further strengthens KMI Healthcare’s commitment to corporate social responsibility (CSR) and its dedication to serving the community.

Speaking at the event, YB Dr. Azman highlighted the importance of zakat as not only a pillar of Islam but also a means to foster social harmony and emphasized KMI Healthcare’s role in ensuring that these funds reach those who need them the most, in collaboration with MAIDAM.

KMI Taman Desa, a leading multi-disciplinary community specialist hospital, has demonstrated consistent success since 2019, evidenced by the growth in revenue driven by an increase in inpatient numbers, high bed occupancy rates, and a rise in average revenue per inpatient. Notably, on 6 December 2023, KMI Taman Desa was honored as the “Best Multi-Disciplinary Community Specialist Hospital” at the BrandLaureate Awards 2023.

Established in 1997, KMI Taman Desa operates as a 39-bedded facility in the strategically located Taman Desa township of Old Klang Road, Kuala Lumpur. With a team of over 22 specialist consultants and a dedicated staff, KMI Taman Desa continues to provide high-quality healthcare services to its patients.

“KMI Healthcare is deeply committed not only to providing the best medical services but also to being a responsible corporate citizen. Our zakat contribution is a testament to the company’s dedication to community development and social welfare,” added YB Dr. Azman.

The ceremony concluded with a press conference and a photography session, celebrating the ongoing collaboration between KMI Healthcare and MAIDAM. The event was also attended by members of the Board of Directors of KMI Taman Desa, MAIDAM management, and representatives from KMI Healthcare.
