

FOR IMMEDIATE RELEASE

KMI Healthcare Launches New Vaccination Centre and Partners with Amden Capital to Revolutionize Patient Care in Malaysia

Kuala Lumpur, 2 December 2024 - Kumpulan Medic Iman Sdn. Bhd. (“KMI Healthcare”) is proud to announce the official launch of its new Vaccination Centre, a dedicated initiative aimed at providing accessible and comprehensive vaccination services to communities across Malaysia. In conjunction with this milestone, KMI Healthcare also signed a Memorandum of Understanding (MoU) with Amden Capital Sdn. Bhd. (“Amden Capital”) to provide innovative financial support services for its patients.

The momentous event was officiated by Dr. Rayney Azmi bin Ali, Chief Executive Officer of KMI Healthcare, and attended by the General Manager of KMI Hospitals, corporate partners, and other distinguished guests.

In his address, Dr. Rayney highlighted the significance of the new KMI Vaccination Centres, emphasizing their role in improving healthcare access for Malaysians during an ever-evolving global health landscape. “The KMI Vaccination Centre represents a strategic commitment to preventive care, ensuring communities have better access to vaccines that safeguard public health,” said Dr. Rayney.

To ensure a seamless experience, KMI Vaccination Centres have adopted streamlined operational policies and strengthened internal processes. These enhancements are designed to minimize waiting times, improve service efficiency and provide a comfortable and reliable vaccination journey for all patients.

The new vaccination centre aims to serve as a hub for various vaccination programs, including routine immunizations, seasonal vaccinations, and specialized programs for high-risk groups. KMI is committed to promoting awareness of the importance of immunization in safeguarding individual and public health.

In line with its broader mission, KMI Healthcare has actively participated in community-driven programs, including the Hajj Pilgrims Vaccination Program under its partnership as ‘Sahabat Korporat Tabung Haji.’

The event also marked a new chapter in healthcare financing for KMI patients through the signing of the MoU with Amden Capital. The partnership introduces medical financing options tailored to ease the financial burden on patients, offering flexible payment solutions. They offer Shariah-compliant financing options, with loans of up to RM50,000 available for procedures not covered by insurance.

“This collaboration with Amden Capital reflects a shared vision to prioritize patients’ well-being, by addressing the financial barriers to treatment, we empower patients to focus on what truly matters which is their recovery and overall health,” Dr. Rayney remarked.

As a leading provider of quality healthcare in Malaysia, KMI Healthcare continues to expand its offerings to meet the growing demands of its patients. The launch of KMI Vaccination Centres and the partnership with Amden Capital signify KMI Healthcare’s dedication to delivering innovative solutions that improve the lives of those it serves.

For more information about the vaccination program or financial support services in collaboration with Amden Capital, please visit your nearest KMI Hospital.
