Kuala Besut, 12th February 2025 – TDM Berhad ("TDM" or the "Group"), continues its commitment to corporate social responsibility (CSR) for 2025 by organizing the TDM Community Program in Kuala Besut. Held at the Kampung Bharu Civic Hall in Kuala Besut, the program successfully provided assistance to 200 asnaf (eligible recipients of zakat) and the local community, easing their burdens.

This initiative is the result of a collaboration between TDM and 'Pusat Khidmat Masyarakat Ahli Dewan Undangan Negeri (ADUN) Kuala Besut'. The event was officiated by YB Haji Azbi bin Salleh, ADUN of Kuala Besut. Also in attendance were Mr. Ahmad Imran bin Muhamad, Officer of 'Majlis Agama Islam dan Adat Melayu (MAIDAM) Zon Utara' and representing TDM, Encik Zharudin Narudin, General Manager of TDM Agrobiz Sdn Bhd, along with TDM's management team.

Haji Najman bin Kamaruddin, Group Chief Executive Officer of TDM, stated, "This program reflects our aspiration to work together with the community, especially in Kuala Besut, toward a brighter future. We believe that a company's success is not solely measured by financial profits but also by the positive contributions and impacts we can share with society."

TDM remains committed to implementing CSR initiatives that positively impact local communities through programs like the TDM Community Program in Kuala Besut. This initiative is part of the company's efforts to strengthen ties with local communities and contribute to sustainable socioeconomic development.

As a company that prioritizes sustainable development, this initiative aligns with the United Nations Sustainable Development Goals (UNSDG), particularly SDG 17: Partnerships for the Goals. The program also involves close collaboration with local authorities and strategic partners to ensure a greater and more effective impact on the community.

"As a responsible company, we focus not only on business growth but also on the well-being of the community. This program is one way for us to understand the needs of the community and ensure that the assistance provided delivers long-term benefits," added Haji Najman.

In the long term, TDM aims to expand similar initiatives to other areas in Terengganu, ensuring that more individuals benefit from the company's CSR programs. It is hoped that these efforts will bring meaningful benefits to the target groups and inspire similar initiatives by other organizations for the collective well-being of society.
