---

**Kuala Terengganu, 22<sup>nd</sup> October 2025** –TDM Berhad ("TDM" or the "Group"), continues its commitment to Corporate Social Responsibility (CSR) through the 'TDM Bersama Masyarakat Telemong' programme, organised in collaboration with 'Pusat Khidmat Masyarakat ADUN Telemong'. The official handover ceremony and programme launch were officiated by YB Haji Mohd Zawawi Ismail, State Assemblyman (ADUN) for Telemong and attended by Encik Hamdan Ibrahim, Chief Executive Officer of TDM Plantation Sdn Bhd, Ustaz Fakhru Islam Yaacob, District Officer of 'Majlis Agama Islam dan Adat Melayu' (MAIDAM) Central Zone, along with representatives from TDM management.

The programme benefited 134 asnaf recipients from the Telemong constituency through the distribution of cash assistance and necessities. This initiative aims to alleviate the financial burden of asnaf groups, particularly low-income families, senior citizens and single mothers. In addition to the aid distribution, a Tazkirah Dhuha session was also held to strengthen spiritual enrichment while nurturing unity and compassion within the local community.

In his speech, YB Haji Zawawi Ismail expressed his appreciation for TDM's continued concern and support towards the local community. "Such programmes demonstrate that the corporate sector plays a vital role in strengthening social networks within society. The empathy shown by TDM should serve as an example for other organisations in balancing business growth with humanitarian values," he said.

The 'TDM Bersama Masyarakat Telemong' initiative is part of TDM's broader strategy to foster closer ties between the company and the community. "We believe that an organisation's success is not solely measured by its business growth, but also by its ability to create positive change in society. Through this initiative, we aim to cultivate a culture of empathy and social responsibility among our employees and the wider community," said Haji Najman Kamaruddin, Group Chief Executive Officer of TDM Berhad.

The programme reflects TDM's holistic CSR approach, which balances welfare, community development and moral values. This approach aligns with TDM's aspiration to be a values-driven organisation, one that champions shared prosperity and collective well-being across all layers of society.

TDM remains steadfast in its commitment to continue implementing meaningful CSR initiatives across its operational areas, in line with the Group's vision and mission to enhance community well-being and contribute towards a more sustainable future.
