Kuala Terengganu, 28th April 2026 –TDM Berhad ("TDM" or the "Group") continues to strengthen its commitment to social development and community well-being through the 'TDM Bersama Masyarakat DUN Ladang' Program, held at Dewan Sivik Pasir Panjang, Kuala Terengganu.

The event was officiated by YB Hajah Zuraida Md Noor, Deputy Chairman of the Terengganu State Committee on Welfare, Women Development, Family and National Unity cum State Assemblywoman (ADUN) for Ladang. The programme was also attended by Encik Wan Muhamad Khairullah Suhaimi Wan Azli, Assistant Secretary (Zakat Collection and Administration) of Majlis Agama Islam dan Adat Melayu Terengganu (MAIDAM). Representing TDM was Encik Abd Wahab Arifin, Special Officer of TDM, alongside members of TDM's management team.

A total of 120 recipients from the local asnaf community received contributions in the form of cash assistance and basic necessities. This initiative reflects TDM's continued commitment to help ease the cost of living burden, particularly among those in need.

In her speech, YB Hajah Zuraida expressed her appreciation to TDM for its consistent efforts in implementing impactful corporate social responsibility (CSR) initiatives that benefit the local community. "Efforts such as these are highly significant in ensuring the well-being of the people is preserved, especially in challenging economic conditions. I believe active participation from the corporate sector, such as TDM, not only helps alleviate the people's burden but also strengthens social support networks and fosters a spirit of togetherness within the community," she said.

In line with its commitment to the United Nations Sustainable Development Goals (UNSDGs), the programme supports SDG 1: No Poverty by contributing towards improving household economic well-being and ensuring access to basic necessities.

Haji Najman Kamaruddin, Group Chief Executive Officer of TDM said, "Programmes like this go beyond the provision of assistance, they reflect TDM's continuous efforts in building closer relationships with the community. We believe that the success of an organisation is also measured by its contribution to social well-being and sustainable community development."

TDM will continue to expand the implementation of high-impact community programmes aligned with its sustainability agenda, including strengthening collaboration with stakeholders and local communities.

Through such initiatives, TDM aspires to nurture the values of togetherness, reinforce unity and contribute towards building a more inclusive, resilient and prosperous society.
