'TDM BERSAMA MASYARAKAT SETIU' SUPPORTS 200 ASNAF AND SINGLE MOTHERS

Kuala Terengganu, 10th March 2026 –TDM Berhad ("TDM" or the "Group") continues to demonstrate its commitment to corporate social responsibility (CSR) through the 'TDM Bersama Masyarakat Setiu' program, held at Masjid Bandar Permaisuri, Setiu during the holy month of Ramadan. The initiative aims to support and assist 'asnaf' groups and single mothers across the constituencies of DUN Permaisuri, DUN Langkap, DUN Jabi, and DUN Batu Rakit.

The event was officiated by YB Ustaz Shaharizukirnain Abd Kadir, Member of Parliament for Setiu and attended by Encik Hamdan Ibrahim, Chief Executive Officer of TDM Plantation Sdn Bhd, Ustaz Tuan Azri Tuan Ahmad, Assistant Officer of MAIDAM Besut District, along with TDM's management team. A total of 200 recipients from the asnaf and single-mother communities received contributions, reflecting TDM's commitment to the welfare of the local community.

According to TDM Group Chief Executive Officer, Haji Najman Kamaruddin, organizing welfare programs like this reflects the company's dedication to inclusive and sustainable community development. "Ramadan is a meaningful period for strengthening empathy, compassion and the spirit of sharing with those in need. Through initiatives like this, TDM hopes to ease the burden of recipients while fostering stronger ties between the company and the local community. This initiative also aligns with the United Nations Sustainable Development Goals (UNSDG), particularly SDG 10: Reduced Inequalities, which emphasizes efforts to narrow social gaps and improve community well-being," he said.

The program, conducted during Ramadan, seeks to share blessings and cultivate a spirit of togetherness and care within the community, reflecting the values encouraged during this blessed month. It is part of TDM's ongoing efforts to support those facing life challenges, particularly single mothers who bear the responsibilities of leading their households.

The 'TDM Bersama Masyarakat Setiu' program also highlights TDM's commitment to sustainable community development. Beyond providing assistance to those in need, the initiative serves as a platform to strengthen collaboration between the corporate sector and local communities in enhancing social well-being.

TDM hopes that the contributions provided will serve as a symbol of the company’s support and appreciation for the resilience of single mothers in continuing their lives and raising their families. TDM remains committed to implementing various welfare programs and community initiatives in the future as part of its efforts to strengthen community relations and create a positive impact locally.
