Kuala Terengganu, 24th February 2026 –TDM Berhad ("TDM" or the "Group") continued its Corporate Social Responsibility (CSR) commitment through the organisation of 'TDM Bersama Masyarakat Wakaf Mempelam' programme in conjunction with the month of Ramadan. The programme benefited a total of 200 asnaf recipients from Wakaf Mempelam area, with each recipient receiving cash assistance and basic necessities, bringing the total contribution to RM26,000.00.

The officiating ceremony and distribution of aid were graced by YB Dato' Haji Wan Sukairi Wan Abdullah, Chairman of the Terengganu State Committee on Local Government, Housing and Health cum Member of Terengganu State Legislative Assembly (ADUN) for Wakaf Mempelam. Also present was Haji Najman Kamaruddin, Group Chief Executive Officer of TDM, along with the management team of TDM.

In his speech, Haji Najman Kamaruddin said, "The TDM Bersama Masyarakat programme reflects TDM's commitment as a Shariah-compliant company that not only focuses on business performance but also places strong emphasis on the welfare of the local community. We hope that this contribution will help ease the burden of the recipients and further strengthen the bond between TDM and the Wakaf Mempelam community."

The TDM Bersama Masyarakat Wakaf Mempelam programme also serves as a platform to instil values of empathy and social responsibility among TDM employees, while supporting the welfare agenda of the Terengganu State Government. The month of Ramadan, which is synonymous with acts of charity and mutual support, provides an ideal platform to bring the company closer to the community, in line with the United Nations Sustainable Development Goals (UNSDGs), particularly SDG 1: No Poverty.

"I would like to express my sincere appreciation to TDM for its concern and continuous efforts in assisting the asnaf, especially in Wakaf Mempelam. Programmes such as this are highly meaningful, particularly during Ramadan, in strengthening the values of compassion, togetherness and mutual assistance within the community," added YB Dato' Haji Wan Sukairi.

TDM hopes that similar initiatives will be continued in the future as part of the company's ongoing efforts to contribute to social well-being and community development, in line with its aspiration to grow sustainably and competitively.
